* This table is populated with data from the Cal MediConnect Monthly Enrollment Dashboards available at <http://www.calduals.org/enrollment-information/enrollment-data/>

The table reflects the total net loss of membership since passive enrollment ended for each Cal MediConnect plan.

**Because passive enrollment ended in July 2016, Orange County is not included.

***Passive enrollment ended in March 2015 in Riverside, San Bernardino, San Diego, and San Mateo counties, June 2015 in Los Angeles County, and December 2015 in Santa Clara County.
